## **FEE SCHEDULE**

### **Authority**

The Building Department provides Lawrence County with inspection and enforcement to ensure safe structures. The standards applied are those of the Ohio Building Code (OBC). Authority to enforce the OBC was granted to Lawrence County effective July 1, 2009, by the State of Ohio, Department of Industrial Relations, Board of Building Standards, and by Board of Commissioners Resolution.

The OBC regulates all construction types and uses except for residential one, two and three family structures. The Lawrence County Building Department enforces the OBC through its contract with its Consultant Architect who serves as Chief Building Official and provides plan review. The Consultant serves as Administrator of the OBC Department for State of Ohio compliance purposes and makes all required inspections.

**Application Requirements:** For all items inspected by the Lawrence County Building Department, the applicant must provide:

1. Four complete sets of plans and specifications
2. A total of three site plans
3. A plan review non-refundable deposit of \$225.00

**Fees:** Fees in accordance with the fee statement, this fee schedule or notice received during construction are due and payable upon receipt of approved plans or notice during construction.

### **Part 1 – Commercial Permit Fees:**

#### **A. New Buildings, Additions and Renovations**

1. Permits for new buildings, additions and renovations to existing buildings shall be issued to include only the work shown on the approved plans or specifications.
2. Fees for the new buildings, additions or renovations to existing buildings shall be based on floor or surface area to be computed as follows:
  - a. All floor or surface areas include garage, carport, basement, cellar and sub-basement floors measuring the outside dimensions at each floor level.
  - b. Crawl spaces and attic areas shall not be included.
  - c. In buildings or areas where there are not walls, the area enclosed by the outside dimensions of the supporting columns shall be included.
  - d. In buildings or areas where a roof is supported by a single row of columns, the horizontal projected area of the roof shall be included.
  - e. Square footage fee schedule applies to areas of work for addition and renovation projects.
